1. British Dental Journal

Full-text articles from the BDJ portfolio (BDJ, BDJ In Practice, BDJ Team, Evidence-Based Dentistry, BDJ Open, BDJ Student) are available for BDA members to view online via the Nature website from 1999 to date.

To access these, you should first go to the main BDA website at www.bda.org and log in with your email address and password.

A screenshot of the BDA login form. It is enclosed in a blue border. At the top, the word 'Email' is followed by a text input field containing 'frank@gmail.com'. Below this, the word 'Password' is followed by a text input field containing 'Password'. Under the password field is a checkbox labeled 'Remember me'. At the bottom is a large purple button with the text 'LOG IN' in white capital letters.

Once you are logged in to the BDA website, click on 'Learning and Development' in the top menu bar:

3. Dentistry and Oral Sciences Source (DOSS) full text database

Over 200 dental journals are indexed in the DOSS database. Most of these are available in full text, with downloadable PDFs of the articles.

You can view a list of the journals contained in DOSS [here](#)

To access the DOSS database, you should first go to the main BDA website at www.bda.org and log in with your email address and password.

The login form is enclosed in a blue border. It contains an 'Email' label above a text input field with the placeholder 'frank@gmail.com'. Below this is a 'Password' label above another text input field with the placeholder 'Password'. Under the password field is a checkbox labeled 'Remember me'. At the bottom is a large purple button with the text 'LOG IN' in white capital letters.

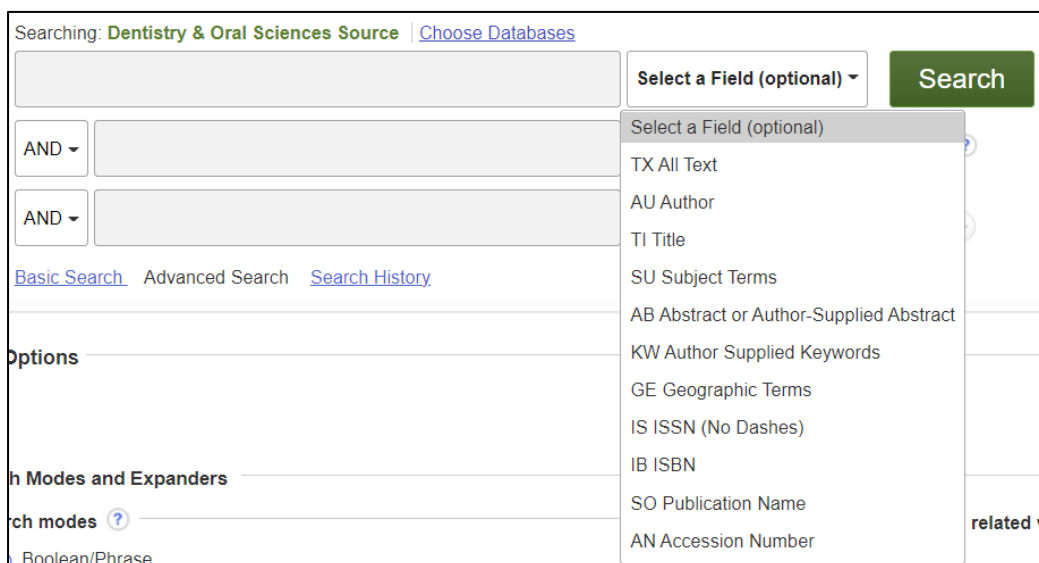

Once logged in, go to <https://www.bda.org/learning-and-development/library/library-resources/journals-and-ejournals/>

Scroll down and click the 'Access DOSS' button.

The database will open in a new browser tab/window.

You can use the search boxes to search the database by author, title, subject etc.

The search interface has a header bar with 'Searching: Dentistry & Oral Sciences Source' and a link to 'Choose Databases'. Below this is a search box and a dropdown menu labeled 'Select a Field (optional)' with a green 'Search' button. The dropdown menu is open, showing options: 'TX All Text', 'AU Author', 'TI Title', 'SU Subject Terms', 'AB Abstract or Author-Supplied Abstract', 'KW Author Supplied Keywords', 'GE Geographic Terms', 'IS ISSN (No Dashes)', 'IB ISBN', 'SO Publication Name', and 'AN Accession Number'. To the left of the search box are two 'AND' dropdown menus. Below the search box are links for 'Basic Search', 'Advanced Search', and 'Search History'. On the left side, there are sections for 'Options' and 'In Modes and Expanders' with a 'Search modes' dropdown menu currently set to 'Boolean/Phrase'.

If you have a reference for a specific article, type or paste the title into the search box and choose to search 'Title'.

You can click on **Publications** to browse the alphabetical list of journals.

The entry in the list for each journal will show its availability/coverage.
