

Influence of computerized intraosseous anesthesia compared with traditional mandibular nerve block on children's behavior: a randomized clinical trial [Accessible from the Wiley link on this page]	Int J Paediatr Dent 2025; 35(2): 281-288
Efficacy of QuickSleeper intraosseous injection of 4% articaine in mandibular first molars with symptomatic irreversible pulpitis: A randomized controlled trial	Anesth Prog 2024; 71(3): 123-130
A randomized controlled trial to assess parental satisfaction with computerized intraosseous anesthesia versus inferior alveolar nerve block in children	Sci Rep 2024; 14: 15374
Pain during primary molar local anaesthesia with SleeperOne5 computerized device versus conventional syringe: A randomized, split-mouth, crossover, controlled trial [Accessible from the Wiley link on this page]	Int J Paediatr Dent 2024; 34(6): 891-905
Efficacy of the TuttleNumbNow intraosseous method for pulpal anesthesia in the mandibular first molar: a prospective, randomized, crossover study [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endodont 2024; 50(4): 406-413
Comparing intraosseous computerized anaesthesia with inferior alveolar nerve block in the treatment of symptomatic irreversible pulpitis: A randomized controlled trial [Accessible from the Wiley link on this page]	Int Endod J 2023; 56(8): 922-931
Comparison of anesthetic efficacy of intraosseous injection with conventional inferior alveolar nerve block in mandibular third molar surgery: a systematic review and meta-analysis [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	Oral Surg Oral Med Oral Pathol Oral Radiol 2022; 133 (2): e33-e42
Efficacy of four local anaesthesia protocols for mandibular first molars with symptomatic irreversible pulpitis: A randomized clinical trial [Accessible from the Wiley link on this page]	Int Endod J 2022; 55(3): 219-230
Intraosseous anesthesia using dynamic navigation technology [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2020; 46 (12): 1894-1900
Intraosseous anesthesia in symptomatic irreversible pulpitis: Impact of bone thickness on perception and duration of pain	J Dent Anesth Pain Med 2020; 20 (6): 367-375
Evaluation of intraosseous computerized injection system (QuickSleeper TM) vs conventional infiltration anaesthesia in paediatric oral health care: a multicentre, single-blind, combined split-mouth and parallel-arm randomized controlled trial [Accessible from the Wiley link on this page]	Int J Paediatr Dent 2019; 29 (5): 573-584
Effect of intraosseous injection versus inferior alveolar nerve block as primary pulpal anaesthesia of mandibular posterior teeth with symptomatic irreversible pulpitis: a prospective randomized clinical trial [can be accessed on DOSS free by logging in on this page]	Acta Odontol Scand 2018; 76 (6): 442-447

Intraosseous anesthesia using a computer-controlled system during non-surgical periodontal therapy (root planing): two case reports	J Dent Anesth Pain Med 2018; 18 (1): 65-69
Efficacy of intraosseous local anesthesia for restorative procedures in molar incisor hypomineralization-affected teeth in children	Contemporary Clin Dent 2018; 9 (Suppl 2): S272-S277
Perception of discomfort during injection and the need for supplemental anaesthesia in the intraosseous technique using 4% articaine	Acta Odontol Latinoam 2016; 29 (3): 214-218
Randomized clinical trial of intraosseous methylprednisolone injection for acute pulpitis pain [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2016; 42(1): 2-7
Computer-assisted intraosseous anaesthesia for molar and incisor hypomineralisation teeth: a preliminary study (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Trop Dent J 2015; 38(149): 5-9
Split-mouth and parallel-arm trials to compare pain with intraosseous anaesthesia delivered by the computerised Quicksleeper system and conventional infiltration anaesthesia in paediatric oral healthcare: protocol for a randomized controlled trial	BMJ Open 2015; (5): e007724
Root damage induced by intraosseous anaesthesia—an in vitro investigation	Med Oral Patol Oral Cir Bucal 2013; 18(1): e130-134
A comparative evaluation of pain and anxiety levels in 2 different anesthesia techniques: locoregional anesthesia using conventional syringe versus intraosseous anesthesia using a computer-controlled system (Quicksleeper) [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	Oral Surg Oral Med Oral Pathol Oral Radiol 2012; 114 (Suppl. 5): S132-S139
Intraosseous anesthesia with solution injection controlled by a computerized system versus conventional oral anesthesia: a preliminary study	Med Oral Patol Oral Cir Bucal 2012; 17(3): e426-e429
A prospective randomized trial of different supplementary local anesthetic techniques after failure of inferior alveolar nerve block in patients with irreversible pulpitis in mandibular teeth [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2012; 38(4): 421-425
Comparative study between manual injection intraosseous anesthesia and conventional oral anesthesia	Med Oral Patol Oral Cir Bucal 2012; 17(2): e233-e235
Side effects and complications of intraosseous anesthesia and conventional oral anesthesia	Med Oral Patol Oral Cir Bucal 2012; 17(3): e430-e434
Periodontal ligament and intraosseous anesthetic injection techniques: alternatives to mandibular nerve blocks [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Am Dent Assoc 2011; 142(9 Suppl.): 13S-18S
Advanced techniques and armamentarium for dental local anesthesia [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	Dent Clin N Am 2010; (54): 757-768

Pain assessment by children and adolescents during intraosseous anaesthesia using a computerized system (QuickSleeper™) [Accessible from the Wiley link on this page]	Int J Paediatr Dent 2009; 19: 360-366
Osteonecrosis related to intraosseous anesthesia: report of a case (request using https://www.smartsurvey.co.uk/s/PJHMV/)	J Endod 2009; (35): 288-291
Heart rate effects of intraosseous injections using slow and fast rates of anesthetic solution deposition	Anesth Prog 2008; (55): 9-15
Pressures generated in vitro during stabident intraosseous injections (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Int Endod J 2005 (38) 291-296
A comparison of injection pain and postoperative pain of two intraosseous anesthetic techniques	Anesth Prog 2003 (50) 111-120
Cardiovascular effects of intraosseous injections of 2 percent lidocaine with 1:1,00,000 epinephrine and 3 percent mepivacaine [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Am Dent Assoc 1999 <u>130</u> (5) 649-657
Achieving profound anaesthesia using the intraosseous technique (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Oral Health 1999 <u>89</u> (3) 19-24
Anesthetic efficacy of supplemental intraosseous injection for teeth with irreversible pulpitis (request using https://www.smartsurvey.co.uk/s/PJHMV/)	J Endod 1998 <u>24</u> (12) 826-828
Anesthetic efficacy of the intraosseous injection after an inferior alveolar nerve block (request using https://www.smartsurvey.co.uk/s/PJHMV/)	J Endod 1996 <u>22</u> (9) 481-486
The use of intraosseous anaesthesia in a patient with myositis ossificans progressive (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Spec Care in Dent 1996 <u>16</u> (1) 29-32
The efficacy of an intraosseous injection system of delivering a local anaesthetic [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Am Dent Assoc 1995 <u>126</u> (1) 81-86
Intraseptal anesthesia in the general dental practice (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Compend Contin Educ Dent 1987 <u>8</u> (3) 202-210
Intraosseous injections of mercaptan: a case report (request using https://www.smartsurvey.co.uk/s/PJHMV/)	J Prosth Dent 1969 <u>21</u> 529-531
