

IATROGENIC DISEASE

The trajectory of iatrogenic perforation: Mapping progress, gaps, and future trends. [Review] [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Am Dent Assoc 2026; 157(7): 727-739
First head-to-head comparison of allograft repair, direct neurorrhaphy and non-surgical management for iatrogenic trigeminal nerve injury: a prospective multicentre cohort study with doubly robust analysis	Int J Oral Maxillofac Surg 2026. Jun 22
Protocol for the development of a new comprehensive classification for iatrogenic tooth perforations	Int Endod J 2026; 59(3): 338-340
Soft adhesives may cause ore iatrogenic damage than hard adhesives during cleanup following bracket removal	Angle Orthod 2026; 96(2): 150-155
Quantitative 3D assessment of iatrogenic damage during Class II cavity preparations by dental students	Int Dent J 2026; 76(1): 103993
Prevalence and patterns of iatrogenic damage to adjacent teeth during fixed prosthodontic preparation	J Contemporary Dent Pract 2025; 26(11): 1067-1072
Prediction of bone recovery after iatrogenic dehiscences/fenestrations caused by lingual bonded retainers: a clinical report	Prog Orthod 2025; 26: 35
Post-traumatic and iatrogenic silent sinus syndrome: a case series	Oral Maxillofac Surg 2025; 29: 106
What to do if a patient presents with an iatrogenic trigeminal nerve injury [Review] [can be accessed on DOSS free by logging in on this page]	Quintessence Int 2025; 56(2): 154-160
Therapeutic modalities for iatrogenic late paresthesia in oral tissues innervated by mandibular branch of trigeminal nerve: a systematic review. [Review]	Maxillofac Plast Reconstr Surg 2024; 46: 25
Surgical outcomes of the surgical techniques following management of iatrogenic trigeminal nerve injuries: A systematic review. [Review]	Saudi Dent J 2024; 36(4): 499-508
Papilla reconstruction for an iatrogenic RT3 gingival defect using a tuberosity soft tissue graft: A case report	Clin Adv Perio 2023; 13(3): 163-167
Iatrogenic mandibular ramus fracture following surgical removal of impacted third molar	J Maxillofac Oral Surg 2023; 22: 46-48
Iatrogenic cold urticaria induced by tetrafluoroethane cryosurgery for gingival depigmentation: A rare case report [Accessible from the Wiley link on this page]	Clin Adv Perio 2023; 13(1): 46-49
Iatrogenic displacement of an impacted third maxillary molar in the parapharyngeal space: A case report [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Stomatol Oral Maxillofac Surg 2022; 123(5): e376-e379
Iatrogenic retroposition of the lips sequel after bicuspid extraction-a retrospective study [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Stomatol Oral Maxillofac Surg 2022; 123(4): e178-e185

IATROGENIC DISEASE

Repairing maxillary sinus membrane perforations, iatrogenic or intentional: two case reports [Accessible from the Wiley link on this page]	Clin Adv Perio 2022; 12(3): 169-174
A multidisciplinary approach for the management of iatrogenic severe periodontitis following orthodontic treatment with a 12-year follow-up [can be accessed on DOSS free by logging in on this page]	Int J Perio Restor Dent 2022; 42(3): 301-309
Assessing the iatrogenic contribution to contamination during root canal treatment [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2022; 48(4): 479-486
Are women more susceptible than men to iatrogenic inferior alveolar nerve injury in dental implant surgery? [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	Int J Oral Maxillofac Surg 2022; 51(2): 251-256
Iatrogenic acid-induced gingival recession during crown cementation: A case report [Accessible from the Wiley link on this page]	Aust Dent J 2021; 66(3): 332-336
A contemporary treatment of an iatrogenic root perforation: A case report [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2021; 47(3): 520-525
Iatrogenic cervicofacial emphysema after dental procedures: a case series and radiographic review . [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	Oral Surg Oral Med Oral Pathol Oral Radiol 2020; 130(3): e106-e111
Multidisciplinary management and pulp vitality preservation of a tooth with extensive iatrogenic furcal root perforation and biologic width violation (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Oper Dent 2020; 45(2): 117-122
