

CRACKED TEETH

Cracked tooth syndrome: a review of the literature [Not included in the loan package] (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Dental Update 2023; 50 (7): 555-62
Therapeutic strategy for cracked teeth [can be accessed on DOSS free by logging in on this page]	Int J Esthet Dent 2022; 17 (3): 340-355
Onset and resolution of pain among treated and untreated posterior teeth with a visible crack: three-year findings from the national dental practice-based research network [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Dent 2022; (119): 104078
The Correlation of Crack Lines and Definitive Restorations with the Survival and Success Rates of Cracked Teeth: A Long-term Retrospective Clinical Study [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	Journal of Endodontics 2022; 48(2): 190-199
Repair of teeth with cracks in crowns and roots: An observational clinical study [Accessible from the Wiley link on this page]	International Endodontic Journal 2021; 54(10): 1738-1753
Characteristics, treatment, and prognosis of cracked teeth: a comparison with data from 10 years ago	Eur J Dent 2021; 15 (04): 694-701
Management of cracked teeth: Perspectives of general dental practitioners and specialists [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Dent 2021; (113): 103770
Diagnosis of cracked teeth using cone-beam computed tomography: literature review and clinical experience (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Dentomaxillofac Radiol 2021; 50(5): 20200407
Symptom changes and crack progression in untreated cracked teeth: One-year findings from the National Dental Practice-Based Research Network [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Dent 2020; (93): 103269
Recommended treatment of cracked teeth: Results from the National Dental Practice-Based Research Network [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Prosthet Dent 2020; 123(1): 71-78
Incidence of pulpal complications after diagnosis of vital cracked teeth [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2019; 45(5): 521-525
Success and survival of endodontically treated cracked teeth with radicular extensions: a 2- to 4-year prospective cohort [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2019; 45(7): 848-855
Outcome and survival of endodontically treated cracked posterior permanent teeth: a systematic review and meta-analysis [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2020; 46(4): 455-463
Outcomes of endodontically treated cracked teeth: a systematic review and meta-analysis (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Clin Oral Investig 2020; 24(1): 465-473
Dental pain: dentine sensitivity, hypersensitivity and cracked tooth syndrome (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Prim Dent J 2019; 8(1): 44-51

CRACKED TEETH

Treatment decision-making of cracked teeth: survey of American endodontists	J Contemporary Dent Pract 2019; 20(5): 543-547
Effect of root canal preparation techniques on crack formation in root dentin [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2019; 45(4): 447-452
Biting pain reproduced by the Tooth Slooth: an aid for early diagnosis of cracked tooth [can be accessed on DOSS free by logging in on this page]	Quintessence Int 2019; 50(1): 82-87
Observable characteristics coincident with internal cracks in teeth: Findings from The National Dental Practice-Based Research Network [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Am Dent Assoc 2018; 149(10): 885-892
Cracked tooth syndrome in irradiated patients with head and neck cancer [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	Oral Surg Oral Med Oral Pathol Oral Radiol 2018; 126(4): 335-341
12-month success of cracked teeth treated with orthograde root canal treatment [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2018; 44(4): 543-548
Associations of types of pain with crack-level, tooth-level and patient-level characteristics in posterior teeth with visible cracks: Findings from the National Dental Practice-Based Research Network [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Dent 2018; (70): 67-73
Analysis of the characteristics of cracked teeth and evaluation of pulp status according to periodontal probing depth	BMC Oral Health 2017; 17(1): 135
Treatment of cracked teeth [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2017; 43(9): 1579-1586
Predicting extension of cracks to the root from the dimensions in the crown: A preliminary in vitro study [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Am Dent Assoc 2017; 148(10): 737-742
*****	*****
Correlation between symptoms and external characteristics of cracked teeth [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	JADA 2017; 148(4): 246-256.e1
The management of cracked tooth syndrome in dental practice [Log in to the BDA home page and follow the link to the BDJ to access]	Br Dent J 222(9): 659-666
Cracked teeth and poor oral masticatory habits: a matched case-control study in China [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2017; 43: 885-889
Cracked tooth syndrome mimicking trigeminal autonomic cephalalgia: A report of four cases [can be accessed on DOSS free by logging in on this page]	Quintessence Int 2917; 48(4): 329-337

CRACKED TEETH

Cracked teeth: distribution, characteristics, and survival after root canal treatment [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2016; (42): 557-562
Predictable management of the cracked tooth	Restor Dent Endod 2016; (41): 79
Decision making for retention of endodontically treated posterior cracked teeth: a 5-year follow-up study [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2016; (42): 225-229
Cracked tooth syndrome: overview of literature	Int J Appl Basic Med Res 2015; (5): 164-168
Cracked tooth diagnosis and treatment: an alternative paradigm	Eur J Dent 2015; (9): 293-303
The cracked tooth: histopathological and histobacteriologic aspects [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2015; (41): 343-352
Analysis of split tooth as an unstudied reason for tooth extraction	BMC Res Notes 2014; (7): 630
Cracked tooth syndrome in an unrestored maxillary premolar: a case report	Operative Dentistry 2014; 39: 460-8
Correlation between cuspal inclination and tooth cracked syndrome: a three-dimensional reconstruction measurement and finite element analysis [can be accessed on DOSS free by logging in on this page]	Dent Traumatol 2013; (29) 226-233
Diagnosing, managing, and preventing cracked tooth syndrome (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Gen Dent 2012; (Sept-Oct): e302-e307
Hunter-Schreger Band patterns and their implications for clinical dentistry [can be accessed on DOSS free by logging in on this page]	J Oral Rehab 2011; (38): 359-365
Cracked tooth syndrome. Part 1: Aetiology and diagnosis [Log in to the BDA home page and follow the link to the BDJ to access]	Br Dent J 2010; 208(10): 459-463
Cracked tooth syndrome. part 2: Restorative options for the management of cracked tooth syndrome [Log in to the BDA home page and follow the link to the BDJ to access]	Br Dent J 2010; 208(11): 503-514
Cracked teeth: a review of the literature [can be accessed on DOSS free by logging in on this page]	J Esthet Restor Dent 2010; 22(3): 158-167
Talking with patients: Cracked tooth	J Esthet Restor Dent 2009; 21(1): 68-69
Predictable management of cracked teeth with reversible pulpitis	Aust Dent J 2009; (54): 306-315
A review of the diagnosis and management of the cracked tooth (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Dent Update 2009; (36): 338-349
The cracked tooth conundrum: terminology, classification, diagnosis, and management	Am J Dent 2008; (21): 275-282
A 4-to 6-year retrospective clinical study of cracked teeth restored with bonded indirect resin composite onlays [can be accessed on DOSS free by logging in on this page]	Int J Prosthodont 2007; 20(6): 609-616
