

HERPES

Association between human herpes simplex virus and periodontitis: results from the continuous National Health and Nutrition Examination Survey 2009–2014	BMC Oral Health 2023; 23: Art 675
A patient with herpes zoster of the maxillary division of trigeminal nerve presents for oral evaluation and toothache [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	Dent Clin N Am 2023; 67 (4): 687-90
HOCl rapidly kills corona, flu, and herpes to prevent aerosol spread	J Dent Res 2023; online May 29 doi.org/10.1177/0022034523116943
A novel drug delivery system using acyclovir for topical treatment of recurrent herpes labialis: a randomized clinical trial	Clin Exp Dent Res 2021; Dec 05
Human and herpesvirus microRNAs in periodontal disease [Accessible from the Wiley link on this page]	Perio 2000 2021; 87: 325-39
Bruxism and type of breathing is associated with oral herpes lesions in Brazilian para-athletes [Accessible from the Wiley link on this page]	Spec Care Dent 2021; 41 (6): 700-706
Intraoral human herpesviruses detectable by PCR in majority of patients [can be accessed on DOSS free by logging in on this page]	Oral Dis 2021; 27 (2): 378-387
Comparative study of serum zinc concentration in recurrent herpes labialis patients and healthy individuals	BMC Oral Health 2020; 20 (1): 296
Osteonecrosis of the jaw as a late complication of herpes zoster infection: a case report (request using https://www.smartsurvey.co.uk/s/PJHMY/)	Gen Dent 2020; 68 (6): 36-39
The controversial natural history of oral herpes simplex virus type 1 infection [can be accessed on DOSS free by logging in on this page]	Oral Dis 2019; 25 (8): 1850-1865
Trigeminal herpes zoster and Ramsey Hunt syndrome in an elderly adult: Presentation with prodromal toothache [can be accessed on DOSS free by logging in on this page]	Gerodontol 2018; 35 (3): 276-278
Herpes zoster involving the second division of the trigeminal nerve: case report and literature review [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	J Endod 2017; 43 (9): 1569-1573
Herpes simplex 1 and periopathogen role in peri-implantitis	J Contemp Dent Pract 2017; 18 (5): 399-404
Herpes zoster of gingiva in an older woman: a rare case report [can be accessed on DOSS free by logging in on this page]	Gerodontol 2017; 34 (2): 280-283
New strategies against drug resistance to herpes simplex virus	Int J Oral Sci 2016; 8 (1): 1-6
*****	*****
Presentation of zoster mimicking headache and temporomandibular disorder: a case report	CDA Journal 2016; 44 (1): 35-8
Herpes zoster of the third division of the trigeminal nerve – a clinical pathologic conference [can be accessed on DOSS free by logging in on this page]	NYSJD 2015; November: 50-4

HERPES

Topical lipophilic epigallocatechin-3-gallate on herpes labialis: a phase II clinical trial of AverTeaX formula [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	Oral Surg Oral Med Oral Pathol 2015; 120: 717-24
Herpesviruses: prevalence, pathogenicity, systemic risk [can be accessed on DOSS free by logging in on this page]	Periodontology 2000 2015; 69: 28-45
Rare involvement of herpes zoster in the mandibular branch of the trigeminal nerve: a case report and review of the literature [can be accessed on DOSS free by logging in on this page]	Quint Int 2015; 46 (2): 163-70
Update on oral herpes virus infections [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	Dent Clin N Am 2014; 58: 265-80
Failure to detect an association between aggressive periodontitis and the prevalence of herpesviruses [can be accessed on DOSS free by logging in on this page]	J Clin Periodontol 2013; 40: 1-7
Topical and systemic therapies for oral and perioral herpes simplex virus infections	CDA Journal 2013; 41 (4): 259-62
A study of the clinical activity of a gel combining monocaprin and doxycycline: a novel treatment for herpes labialis [can be accessed on DOSS free by logging in on this page]	J Oral Pathol Med 2012; 41: 61-7
Treatment of herpes labialis: comparison of two OTC drugs and untreated controls [can be accessed on DOSS free by logging in on this page]	J Esthet Rest Dent 2012; 24 (2): 103-9
Recurrent intra-oral herpes simplex 1 infection (request using https://www.smartsurvey.co.uk/s/PJHMV/)	Dental Update 2011; 38: 368-74
Antiviral effects of blackberry extract against herpes simplex virus type 1 [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	Oral Surg Oral Med Oral Pathol 2011; 112: e31-e35
Association of human herpesvirus 6 subtypes with symptomatic apical periodontitis [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	Oral Surg Oral Med Oral Pathol 2011; 112: 401-6
Palatal lesions in an otherwise healthy patient [free to members on Science Direct. If you do not have a login email library@bda.org to request one]	JADA 2010 141 429-32
Oral herpes simplex virus infection in pregnancy: what are the concerns?	JCDA 2009 75 523-6
Photodynamic therapy for the treatment of recurrent herpes labialis: preliminary results (request using https://www.smartsurvey.co.uk/s/PJHMV/)	General Dent 2009 July/August 415-19
Extensive oral shedding of human herpesvirus 8 in a renal allograft recipient [can be accessed on DOSS free by logging in on this page]	Oral Microbiol Immunol 2009 24 109-15
Prevalence of oral herpes simplex virus reactivation in cancer patients: a comparison of different techniques of viral detection [can be accessed on DOSS free by logging in on this page]	J Oral Pathol Med 2009 38 167-73
